A word from our Director of Missions

Greetings Body of Christ

This is my first newsletter as your new Director of Missions. I am humbled at the opportunity to work with the numerous ministries in Northwest Missouri. I must take time to give thanks to God for His leading in my coming to SJBA. God placed His search committee, led each of you as you prayed, brought my heart to hear His call, all to bring Glory to Himself. I look forward to the ministry God has planned as we work together in His Kingdom. I look forward to meeting and spending time with each minister and church in the near future.

As you read this newsletter SJBA Youth Camp has already completed. At the pre-camp meeting on June 8th I was encouraged by the Camp Theme, the Bible Study topics, the organization, and the willing volunteers needed to make this camp a place and time where students can focus on God and listen to Him as He moves their hearts. Please continue to pray for each camper (Student and Adult) as they have returned from camp with God's fresh message on their minds and hearts. Also be in prayer for Children's Camp, July 17-21.

Pam and I are still in process of selling our home in Neosho and looking for an established home in the St Joseph area. While we are in transition, FBC St Joseph has kindly offered a ministry apartment for our temporary housing. I am very thankful for this blessing. My official first day as DOM was June 19th at camp, but I will be in the SJBA office starting June 26th. Even though it is summer, I desire to meet with each minister and each church ASAP. Pam and I are looking forward to see God's Kingdom work continue and to embrace Kingdom growth. (Colossians 1:28) "Him we preach, warning every man and teaching every man in all wisdom, that we may present every man perfect in Christ Jesus" May God keep each of us diligent to the call He has placed on each of His followers.

In Christ's Service
Brother Roger Brumley
(417)440-0425

Please pray for the following:

Bro. Roger and Pam Brumley that they would find a house quickly as their house has sold in Neosho. Also that they would be able to get settled in and feel at home in the association.

Joyce Cook as she recovers from a broken right arm. Joyce is one of our very faithful newsletter and office volunteers.

PLEASE HELP US

The Mission Center is missing several bible studies, kits, videos/DVDs, and other resources that we loan out. We have not been able to locate or get returned many of these. Please check your church library and/or classrooms, to see if you have any materials that belong to the association. They should be labeled with St. Joseph Baptist Association. We know things happen and get forgotten, but we do have requests for some of these that have been out for an extended period of time. Thank you for your help.

We wish to express our deepest sympathy to Judy Wells and family on the recent passing of her husband, Jim Wells. Jim was the MBC Liaison with the associations and DOMs until his retirement last year.

Annual Church Profiles

The 2017 Annual Church Profiles have arrived and will be sent out to Association Churches the first of next month. All information can be submitted online following the instructions that will be included in your ACP. If you do not enter it online, please make sure to get the ACP filled out and returned to the Mission Center as soon as possible. Deadline for submission is August 14.

The Leadership Information should be updated continually throughout the year as each church elects new people for new positions.

The Association uses the information from the ACP to plan and strategize what conferences or training would be most beneficial to offer. Having a list of church leadership helps us to properly contact those who might need information that we have available for them. Please help us help you by completing your ACP and Leadership Profiles.
